

Bigger Than Imagination!!

On Noah's Ark....

- The Ark Encounter features a full-size Noah's Ark, built according to the dimensions given in the Bible. Spanning 510 feet long, 85 feet wide, and 51 feet high, this modern engineering marvel amazes visitors young and old.
- The commitment to historical accuracy and artistic excellence on three decks full of beautifully crafted teaching exhibits that will inspire you to think differently about the biblical account of Noah's Ark.
- The Ark Encounter is the largest timber-frame structure in the world, built in part by skilled Amish craftsmen from standing dead timber.
- Be transported back in time to meet Noah and his seven other family members, who lived aboard the Ark and cared for all the animals during the Flood. See what their living quarters may have looked like, what they could have brought on board, and even what kinds of clothing they wore.
